Sir,

With reference to your letter No. L. 645 dated the 23rd July 1923 calling for my opinion as to in which of the two places viz., Aralgode and Karur, in the Sagar Taluk a dispensary may be opened etc., I have the honour to state that the dispensary may be opened at Aralgode for the following reasons:-

(a) In the current year's budget estimates of the District and the Taluk Boards provision has been made for the dispensary.

(b) Sanction of Government has been obtained in their Order No. G. 3789-93/Med. 132-19-2 dated the 17th August 1920 (1) for the location of the dispensary in the out house attached to the P.W. Inspection Lodge and (2) for accommodation of the Compounder and the midwife in a portion of the Police lines.

(c) The construction of quarters for the Sub Assistant Surgeon, at a cost of ₹ 1494/- has been sanctioned out of Malnad Improvement Funds in G.O.No. G. 16416-18/Med. 129-20-2 dated the 21st February 1921.

But as already brought to the notice of Government the construction

construction of the Quarters for the Sub Assistant Surgeon was not taken up for want of funds. (Vide letter No. 883/L.B.22-23 dated 15th March 1923).

2. In view of the importance and urgency of the matter provision is made in the current year's Malnad Improvement Budget for carrying out this work. As accommodation for the Sub Assistan Surgeon is very necessary early instructions are solicited whether the work may be taken up on hand in anticipation of the provision made therefor being approved while sanctioning the current year's budget estimates of the Malnad Improvement Scheme.

I have the honour to be,

Sir,

Your most obedient servant,

5. In view of the importance and urgency of the matter provision is made in the current year's Inland Improvement Budget for carrying out this work. As accommodation for the Sub Assistant Surgeon is very necessary early instructions are solicited whether the work may be taken up on hand in anticipation of the provision made therefor being sanctioned while sanctioning the current year's budget estimates of the Inland Improvement Scheme.
